Dear Sir,

We visited to the above site on 04/09/2007 & inspected the existing fire protection system. On inspection it is observe that "M/s. Sankalp Enterprises fire protection system" has physically provided the complete Wet-Riser-Cum-Down-Comer System to the high rise College building on Plot No. 59, Sector-15, Koparkhairne, Navi Mumbai for "Smt.Hansabai Gahlot Charitable Trust (Ground + 3 upper floors only). As there is no Electrical Supply due to lack of Occupancy Certificate. The School Management/Fire Contractor is not in position to give the practical operation of Electric & Booster Pumps. Therefore, As far as this section is concerned there is no objection to issue the Occupancy Certificate.

However, it is the responsibility of the College Management to give the testing of above fixed fire protection systems within 6 months or after getting permanent electrical supply. Then Final NOC will be issued.

Yours Faithfully,
